Flag Raised over Town Hall

Selectman William Hubbard, Mrs. Shoolman, Mr. Eliot Shoolman and Selectman Donald Linhares raise first flag on new Mattapoisett Town Hall flagpole.

Editorial, D.C.J.

Once again the colors snap in the sea breeze in front of the Mattapoisett Town Hall. The new pole is gleaming white fiberglass topped by a gold leaf ball and it is a gift to the people of the town by Mr. and Mrs. Eliot Shoolman, summer residents of Brandt Beach. The Shoolman's generous gift fills a void left by a late

winter storm that snapped off the former pole near its base. Mr. Shoolman remarked that it is a wonderful contrast between life in a small town and that of the city. Here, he said, people are closer to one another and share with each other. Certainly, Mr. and Mrs. Shoolman have shared with the community. We will look with pride on this flagpole in the years ahead and gratefully remember the couple who donated it. The handsomely refinished interior of the Town Hall has lifted the structure into the modern era. The exterior now looks equally impressive with the addition of the new pole, which is inscribed with a brass plaque.

Selectmen William Hubbard and Donald Linhares were privileged to be the first to thank the Shoolmans. May we be next on behalf of the citizens of Mattapoisett.

from the Mattapoisett Board of Assessors:

The Board of Assessors has received the approval from the Department of Corporations and Taxation for the 1973 tax rate of $61.20 per thousand.

This is an increase of $9.20 per thousand over the 1972 rate of $52.00 and the Board stated the following: "We regret the increase, but can attribute the raise mainly to the schools. Three years ago the School Building Committee for the Junior High School, informed the Town Meeting that the effect on the 1973 tax rate would be between $7.00 and $8.00 per thousand".

Allen Sherman, Mattapoisett Tax Collector, has issued this statement to explain the new 18-month changeover of the fiscal year and how this will affect the Mattapoisett homeowner.

"We are now into the 18 month transitional year. At the April Town Meeting all appropriations were for this period: starting January 1, 1973 thru June 30, 1974.

"There will be ONE CHERRY SHEET for 18 months.

"There will be ONE APPROPRIATION for 18 months.

"Then that total appropriation will be divided into 2/3 and 1/3 levies.

"The 2/3 levy will be computed with a 1/1/73 ASSESSMENT DATE to arrive at ONE TAX RATE and

ONE AMOUNT DUE to be mailed out as ONE TAX BILL due with interest after November 1, 1973.

"The 1/3 levy will be computed with a 1/1/74 ASSESSMENT DATE to arrive at ONE TAX RATE and ONE AMOUNT DUE to be mailed out as ONE TAX BILL due with interest after May 1, 1974.

"Thus, there will be two separate tax bills (one for 2/3 levy; one for 1/3 levy) mailed separately.

"Thus also, abatements and exemptions are tied into two separate assessment dates, January 1 of each year.

"The assessors have set the 2/3 TAX RATE at $61.20 based on $2,172,209.85 to be raised for 1973.

"This is an increase of $9.20 over the 1972 TAX RATE of $52.00.

"The 1/3 rate will be set and announced in the early months of 1974 with the balance to be raised at $1,086,104.93 for the first six months of 1974.

School Rate $36.14 (Increase of $6.27 over 1972). General Rate, $25.06 (Increase of $2.93 over 1972). Total Rate, $61.20.

"This shows once again, that the budget for the schools in our town is still increasing at a tremendous rate. The amount of monies it takes to run our schools from September thru June against the amount it takes to run a Town 12 months of the year makes one wonder what the answer to this problem can be. If there are any other questions you have regarding your taxes, please feel free to call."

HARBOR BREAKWATER WOULD COST TOWN OF MATTAPOISETT ESTIMATED 3 to 5 MILLION DOLLARS

The Army Corps of Engineers have completed and made public a report on various proposals to build breakwaters, jetties and develop the Eel Pond. The breakwater project has 3 choices. The least costly of the 3 provides for 50 acres of protected mooring area at an estimated cost of $3.2 million, this breakwater approximately on a line with Ship Street would be financed half by Mattapoisett. Mattapoisett would also be required to build a marina to accommodate 800 boats at an estimated cost of 1 1/2 to 2 million dollars.

Town officials were contacted after the costs were computed to see if Mattapoisett would be willing to raise between 3 and 5 million dollars for the project. They indicated that the amount was more than the town could contract for at this particular time. For this reason, the Division recommended no federal improvement be made in Mattapoisett harbor at this time. All projects and improvements are marked as not recommended.

Janine Margarite Paquette, the outgoing Miss Wareham, before an audience of visiting queens, press photographers, relatives, friends and the general public on Thursday evening. Mrs. Bonnie Smith George, the first Miss Wareham, served as mistress of ceremonies, and introduced several special guests. Miss New Bedford, Miss Nina Jane Fulton, a junior at Southeastern Massachusetts University, and Miss Taunton, Miss Lori Laine, who will attend the Fall River Diploma School of Nursing, were presented and will compete along with Miss Wareham at the Miss Massachusetts Pageant in Attleboro in July.

Miss Wareham of 1964 and also Miss Cranberry Festival of 1967, Marlene Houdellette Sahl, of Manomet, was introduced. Miss Nancy Gibson, a former Junior Miss and Miss Cranberry Bowl, was presented. Other special guests introduced to the audience included Deborah Mesteiri, the newly designated Executive Secretary for the Cranberry Area Chamber of Commerce; and Mrs. Rita Lopes of Onset, co-chairman of the Miss Cape Verdean Pageant.

Janine Paquette, a graduate of the Boston Conservatory of Music, performed a piano solo and ascended the stage for her farewell speech. She thanked the Chamber and this new committee for its continued interest in providing scholarships to girls of this area. She explained that her scholarship was used to further her musical education, and that now she is supervisor of music in the elementary levels of the Norwood School Department. Miss Paquette thanked the merchants and the public for their support of her during the past year. She presented Rita Blair with a gift of appreciation. Miss Paquette was presented with a floral tribute.

Miss Wareham of 1973 was next presented, wearing a gown of lavender. Janet Laine's crown, a gift of the Wareham Plaza Merchants, was accompanied with a white banner with blue lettering. A red rose bouquet was presented by Westgate Realty, a trophy with the Miss America Pageant emblem was presented by Jay's Drug Store, and a modeling course gift certificate from the Shirley Martin School of Charm and Modeling of Dartmouth.

Mr. Gilbert Beaton of Ocean Spray Cranberries was introduced and spoke briefly.

Auto loan sail

Your next car might come equipped with a boat.

Buy that newer car now, and we'll give you a shot at one of four "Sea Swinger" sailboats. These sleek little craft are easy to carry, almost maintenance free, and lots of fun to sail.

To be eligible to win one, simply come to either our Middleboro or Mattapoisett office between May 1 and July 27 and get yourself a car loan. Then just sit back and relax until June 30th, the date of our first drawing.

If your name isn't drawn the first time, don't give up the ship. You're still eligible for a second drawing on July 31st.

But no matter how it goes, you're a winner either way. Because with a Plymouth-Home National car loan you get "same day" service, free life insurance, and low rates. And if you charge your payments against a Plymouth-Home checking account, you get even lower rates.

So don't put it off any longer. Sail into Spring with a newer car – and maybe even a boat – with a car loan from Plymouth-Home National.

He presented the new Miss Wareham with a $200.00 scholarship from his company. Mr. Harrison, of the Scholarship Committee, presented Miss Laine with a scholarship grant from that committee.

A receiving line, including Miss Wareham's parents, Mr. and Mrs. John Edward Laine of Indian Neck Road, Wareham, committee members and former Miss Warehams, preceded the serving of refreshments. Cake, cookies and cranberry punch were served.

Miss Laine is in the process of completing her sophomore year at Bridgewater State College and also works part-time at Gateway Pharmacy. She is spending time on a modern jazz dance for the Miss Massachusetts Pageant in July at Attleboro.

The night's emcee, Mrs. Bonnie Smith George, explained that the first Miss Wareham Pageant began in 1961, in conjunction with an annual clambake. The pageant was a continued success and an official franchise with the Miss Massachusetts Pageant was applied for. In 1965 the first franchised pageant was conducted. Since 1961, one young lady has been selected annually from the franchised area of Marion, Mattapoisett, Carver, Rochester, Middleboro, Buzzards Bay, and all of Cape Cod, to compete for the Miss Massachusetts crown under the title of Miss Wareham.

The Miss Wareham Pageant has been handled in the past by the Wareham Area Chamber of Commerce, who are undergoing a re-organization, and feel that at this time they could not adequately produce the sponsorship of Miss Wareham at this time. From this sprang the idea of a new committee, the Scholarship Pageant Committee, dedi-

Stage Band Concert

O.R. STAGE BAND TO PERFORM IN HOME CONCERT

The 1973 Old Rochester Regional High School Stage Band will perform their final concert of the season as their first concert at home for the public. On Friday, June 8th, the Stage Band, led by Mr. Gary E. Thomas, will occupy the stage at the high school at 8:00 P.M. to treat the public to two hours of their award-winning music. The band this past year has been extremely successful in being selected as finalists at the national Berklee jazz band festival, receiving a Division I rating at the Southeastern Massachusetts District Festival, not to mention the many concerts they have played throughout Massachusetts including the Stan Kenton Concert and a public concert in Nantucket.

This will be the final performance by the band. So, if you've missed the Band so far, here's your last chance. Admission is free.

ORRHS Summer Session

The summer school will be held at the Old Rochester Regional High School District School Complex on Route 6 in Mattapoisett from June 25 to August 3 with most courses being offered in the morning session between 8:00 A.M. and 12:00 Noon. Driver Training classroom instruction will be held in the evenings starting July 5. The courses are of two basic types:

A. Makeup courses for students to catch up on courses they need credit for. The offerings are 7th and 8th grade English, Math, Science and Social Studies and 9th through 12th English, United States History and Mathematics. There is no tuition charge for these courses for local residents.

B. Enrichment courses for which tuition will be charged. The offerings are Personal Typing, Instrumental Music, Concert Band, Instrumental Instruction, Stage Band, Electronic Kit Building, Driver Training, Sports Clinic, Beginners Sewing, Marine Aquaculture, Psychology, Remedial Reading for Comprehension, Arts and Crafts. There is also

Junior Grange

JUNIOR GRANGE HAS MEETING

Mattapoisett Junior Grange held its bi-monthly meeting last Friday night, May 25th, with the worthy master Lauren Horne presiding.

Under new business, Dean Sylvia was appointed lecturer by the worthy master. He will serve for the unexpired Grange term.

Karen Barrows reported on the get well cards she had sent out since the last meeting. Christine Hubbard, ways and means chairman, announced a traveling food sale she and her committee will conduct on Saturday, June 16th.

The lecturer's program was a gymnastics exhibition by Jodi Briggs, Toni Sylvia, Lillian Poitras, Trina and Tracy Bigham.

On the hobby part of the program, a beautiful display of horses by Christine Hubbard was shown. Christine told about the kinds and names of each horse. William and David Hubbard displayed their coin collection, explaining the kind and value of it.

The National Merit Badge program was planne

Mattapoisett Town News

PERSONNEL BOARD ORGANIZED

James Green is chairman and Peter Briggs is clerk-secretary of the Personnel Board. This Board has set the second Tuesday of each month as a regular meeting date. The Board welcomes any Town department head to meet with them and discuss any problems of mutual concern.

MET SELECTMEN

Both the Zoning Committee and the Finance Committee have met with Selectmen after reorganizing with new Board members.

HILLER CO. AWARDED CONTRACT

Hiller Company of Marion has been awarded the contract for a 1973 Dodge Coronet 4 Dr. Sedan for Fire Chief Paul Bradley's use. The amount of the contract was $2,995.00 Earlier the Finance Committee was asked to grant $250. extra over the appropriation of $3,000. voted at the Annual Town Meeting in order to install equipment desired by the Fire Department. The Finance Committee declined because the $3,000. appropriated was $1500. over the original Finance Committee recommendation and the committee declined to further increase this gap over the recommendation that they had considered and presented to the voters.

GAS STORAGE APPROVED

Approval was given by Selectmen after a hearing to allow Mr. Anderson, proprietor of the Chevron Station on Route 6, to store 25,000 gallons of gasoline and 500 gallons of waste oil underground on the premises.

CONDUIT INSTALLATION APPROVED

The New England Telephone Company received approval to install conduit on Church Street Extension and Old Marion Road after a hearing.

JURY LIST

The Board of Selectmen is working on the selection of a new jury list which has to be completed by July 1.

SHORE RESTORATION PLANS

Wallace Underwood has presented a notice to the Board of Selectmen of his intent to remove, fill or dredge land on Mattapoisett Neck on property owned by him. Mr. Underwood wants to restore the shoreline to its 1953 position by riprapping and filling the shore where sand has been removed due to wave action and because of water flowing out of a mosquito ditch. This has scooped

out the beach sand and lowered the level of sand 2 feet at the shoreline. These plans have been filed with the Mattapoisett Conservation Commission, the Board of Selectmen, Massachusetts Department of Public Works and the Massachusetts Department of Natural Resources.

ASK SUPPORT TO CORRECT ERROR

The Mattapoisett Board of Selectmen has written Senator John Aylmer to ask him to support House Bill 3201 which concerns correction of an error of wording in the Highway Distribution Fund which muddied the intent of that bill and has caused Massachusetts towns to receive a lesser share of these funds than was intended.

APPOINTMENTS

The Board of Selectmen has made the following appointments: Lorraine Haskell, policewoman, term to expire July 1, 1974; Michael Renzi, Paul M. Kelly, Margaret B. Smith, Richard Keyes, Emily A. Hickey and Raymond E. Dextraze, members of a Cable TV Advisory Committee, terms to expire July 1, 1974.

DOG WARNINGS

Jane D. Robertson, 11 Martin Avenue, has been sent written notice by the Board of Selectmen that several complaints have been received about her dog and she is ordered to restrain the dog under the terms of the dog law.

Domina H. Suprenant, 36 Main Street, has received written notice by the Board of Selectmen that his dog is alleged to have bitten 2 people, is currently under quarantine as a result of the second bite report. He is notified to restrain the dog under the Mattapoisett dog law.

TOWN BUILDING MEMO

A memo has been sent to town officials that it has come to the attention of the Board of Selectmen that town buildings have been planned or repaired in violation of Sec. 2 Ref. (a). The Selectmen pointed out that the inspector of buildings shall supervise all plans, alterations or repairs.

BILLBOARD ADVICE

Selectmen have been advised by the Massachusetts Outdoor Advertising Board that billboard owners are required to obtain or renew a permit from the Outdoor Advertising Board. No non-accessory sign (billboard) is granted a permit unless it conforms with the by-laws of the community. Selectmen are asked to bring to the attention of the Outdoor Advertising Board all non-conforming signs.

FISH HAS COFFEE HOUR

A very responsive and enthusiastic group of people attended the coffee hour sponsored by FISH at the Harbor Beach Club.

New residents were introduced and a short discourse on the operation of FISH was given.

Also announced was the possibility of organizing "Dial a Friend" which would consist of one person calling a shut-in, the elderly or anyone who would like to be communicated with on a daily basis.

A pamphlet on the history, purposes, objectives and operation of FISH will be published in the near future. Copies will be placed in the Library, Selectmen's office and sent to members of the clergy.

In charge of arrangements for the coffee hour were Norma Holt and Mary Erhard.

'Cranberry' Area Organizes

NEW CHAMBER OF COMMERCE
TO SERVE SIX-TOWN REGION

Regionalism has taken on a new dimension for the six cranberry growing towns of Wareham, Carver, Middleboro, Rochester, Marion and Mattapoisett. These six towns have recently banded together in what has been termed by one member as "the most promising organization to promote the area ever," the Cranberry Area Chamber of Commerce.

The new Chamber has arisen as a result of the efforts of several area businessmen and officials who, realizing the virtually untapped potential of the area, would see a growth of tourism and industry in the area once known merely as "the gateway to Cape Cod".

In establishing the Chamber, these business-

men plan to tap the six-town area's as yet largely unheralded position as the "Cranberry Capital of the World", presenting a tourist area ideal as an alternative to Cape Cod, with all of its attractive features and none of the access or crowding problems.

According to Chamber President James F. Huntoon, "We have an area with an advanced network of modern highways on which many thousands of tourists pass through each year, most of them oblivious to the attractions we have to offer".

The job of the Chamber, he says, will be to make these thousands of visitors aware of the recreational, historic, and commercial value of the Cranberry Capital.

Along with its efforts to attract tourism, the Chamber also offers a variety of services to area businessmen. Among these are employment services such as Employment Matching, the pairing of job openings with suitable persons to fill them, and a Group Insurance Program, for low group rates on accident and

health insurance for Chamber members and their employees.

In addition, the Chamber will conduct feasibility studies to determine what business and industry will best benefit the area and how best to attract it.

For the near future, Chamber members are planning a comprehensive promotion campaign through signs, billboards and information booths, encouraging tourists and their dollars to visit the Cranberry Area. Two information booths will be set up this week, one at the Wareham gates on Route 28, and the other at the Marion rest area on Route 195.

For the more distant future, there are further plans for Cranberry Area festivals and other special events, as well as the establishment of an historic trail, which will link the historic assets of the area with those of Plymouth and other outlying communities.

In a letter addressed to the merchants of the six towns of the Cranberry Area, President Huntoon says, "the next few years will see an increase in tourism never thought possible. harishi Mahesh Yogi. Maharishi has been training teachers for the past fourteen years.

In 1972 Maharishi designed a World Plan which calls for the establishment of 3600 teacher training centers throughout the world so that every one million population will have a center and every one thousand will have a teacher of SCI. To date, there are 5000 teachers and it is envisioned that within a few short years enough teachers will have been trained so that every person in the world will know the joy that comes through the spontaneous application of SCI in daily life.

Maharishi International University (MIU), where David and Claudia qualified to teach, was established in 1971 to satisfy an increasing demand from people around the world, of different age groups and professions for standardized courses on SCI.
